

## Atlantic Karate Championships 2017 - Registration

### Information and directions to complete “group registration” form (spreadsheet XLS)

#### Tab “LIST-Competitors”: The first 2 entries are “examples” to model the data entry.

##### General athlete data

1. L-Name (last) & F-Name (first)- Here you enter the athlete’s name and relevant information and choice of events.
2. Date of birth format is [mm/dd/yyyy]. This will automatically calculate and enter “Age” of athlete.
3. Gender - select “M” or “F” from *dropdown menu* when you click on box.
4. Height is in “centimetres”. *Column “Z” calculates conversion from inches to cm.*
5. Weight is in “kilograms”. *Column “AC” calculates conversion from lbs to kg.*
6. Rank - select closest equivalent “colour” rank from those in *dropdown menu*.  
Ex: white, yellow, orange, green, blue, brown, black.

##### Event registration data
